

Look at your Dashboard and
APR/Special Education Indicators
with your Administrators to identify
your areas of needs

What?

Identify: School site level or district level data concerns

Identify one or more correlates: LRE, Suspension, Graduation
Rates, Academic Achievement

Which EBPs best address these
data?

How?

Use EBP chart to select:

Plan for scale out. Which
district/site groups will you
target? Which initiatives can you
parallel/join?

With whom?

District Group?

School Site Group?

Initiative?

Data:
